Yes, I would like to order the natal, astrology report of:

Mr. Ms. Mrs. Ms _____

Date of Birth (date, month, year) _____ / _____ / _____

Time of birth* _____ (A.M. / P.M.) *If you don't know your exact time of birth, write down the approximate time, or even "in the morning", "in the evening", "before sunrise" etc. would be helpful.

Place of birth (city, country**) _____ **If you are born in a town or a village, which is too small and it is usually not depicted on the maps, you can state in brackets the nearest bigger city.

I would like to take advantage of the special price of AUD \$ 225 (the price includes free postage with a registered post within Australia) which comprises more than 35 pages of accurately calculated birth chart, explanatory text, personal interpretations and one hour of follow-up consultation (save \$ 95). I am aware that not everything described in the natal report will be entirely to my liking. I also understand that the interpretation is compiled from carefully selected texts from the best astrological books, known to the author, alongside with his own comments and writings, based on more than 10 years of studying and practising astrology. Thus, I am prepared to learn everything about myself, including all my strengths and weaknesses. Once my report is ready, I wish my report posted at:
